BOOK SYNOPSIS

My name is Savannah Miller. My father is the mayor of New York. One day after my twenty-seventh birthday I was grabbed from behind. A cloth sack was quickly pulled over my head, and I was taken from everything I'd ever known. I was beaten, starved, treated like an animal, and forced to live in a room with no windows. With no sense of time and no dignity left I finally gave up hope and made a promise to myself to end it all. Unfortunately, it was going to be a slow process. All three books now bundle together in one incredible collection! Broken - Book #1 Shattered - Book #2 Mended - Book #3
