BOOK SYNOPSIS

MADE IN INDIA: the top ten bestselling Indian cookbook that will change the way you cook, eat, and think about Indian food, forever. **Look out for FRESH INDIA, Meera Sodhas new cookbook** Real Indian food is fresh, simple and packed with flavour and in MADE IN INDIA, Meera Sodha introduces Britain to the food she grew up eating here every day. Unlike the stuff you get at your local curry house, her food is fresh, vibrant and surprisingly quick and easy to make. In this collection, Meera serves up a feast of over 130 delicious recipes collected from three generations of her family: theres everything from hot chappatis to street food (chilli paneer and beetroot and feta samosas), fragrant curries (spinach and salmon or perfect cinnamon lamb curry), to colourful side dishes (pomegranate and mint raita, kachumbar salad), and mouth-watering puddings (mango, lime and passion fruit jelly and pistachio and saffron kulfi). This book is full of real charm, personality, love and garlic. The best Indian food is cooked (and eaten) at home Yotam Ottolenghi Wonderful, vibrant...deeply personal food, alive and authentic - the best sort - and, frankly, I want to cook everything in this book Nigella Lawson
