## BOOK SYNOPSIS

Portland Storm defenseman Cody “Harry” Williams owes his coach everything—especially for bailing him out of trouble in the past. It’s up to Cody to repay him by keeping his hands to himself around the coach’s sensual and mischievous daughter. All signs point to this task being easier said than done... Up-and-coming fashion designer Dani Weber always gets what she wants—and she wants Cody Williams. Cody’s sexy, geeky-chic bowties and hard-to-get attitude only make her want him more, and Cody’s resistance is fading...fast. One call is all it would take to land Cody on the trading block, ending their flirtation before it gains any traction. Cody is squarely in the Defensive Zone, but the only way for Cody and Dani to obtain what they really want is to go on the offensive—together.
