BOOK SYNOPSIS

This beautiful volume celebrates one of the twentieth century's most important photographers, Dorothea Lange. Led off by an authoritative biographical essay by Elizabeth Partridge (Lange's goddaughter), the book goes on to showcase Lange's work in over a hundred glorious plates. Dorothea Lange is the only career-spanning monograph of this major photographer's oeuvre in print, and features images ranging from her iconic Depression-era photograph "Migrant Mother" to lesser-known images from her global travels later in life. Presented as the companion book to a PBS American Masters episode that will air in 2014, this beautiful ebook offers an intimate and unparalleled view into the life and work of one of our most cherished documentary photographers.
