BOOK SYNOPSIS

Midwifery & Womens Health Nurse Practitioner Certification Review Guide, Third Edition is a comprehensive review designed to help midwives and womens health nurse practitioners prepare for certification exams. Based on the American Midwifery Certification Board (AMCB) and the National Certification Corporation (NCC) test blueprints, it contains nearly 1,000 questions and comprehensive rationales representing those found on the exams. Completely updated and revised with the most current evidence and practice standards, the new edition incorporates expanded content on pharmacology, pathophysiology, and diagnostic tools. Included with each new print book is an online Access Code for Navigate TestPrep, a dynamic and fully hosted online assessment tool offering hundreds of bonus questions in addition to those in the book, detailed rationales, and reporting.
