BOOK SYNOPSIS

Cayson and Skye enjoy their bliss for the months of the winter season. Every night, they sleep in the same bed. And every waking hour is spent side-by-side. But their physical relationship hasn't taken off. Skye realizes she's afraid to dive into intimacy, realizing they can never go back to being friends if their relationship doesn't work out. When she confesses this to Cayson, his response changes everything. Slade is enjoying his single life more than he should. Out with a different girl every night and having his freedom is what gives him most joy. But when Trinity makes a stupid decision and gets herself in a dangerous situation, he drops everything just to help her. But his help is unappreciated. Fighting like soldiers across a battlefield, Slade despises Trinity and wishes she would just disappear. But when a war between them emerges, along with glasses of beer and whiskey, the unexpected happens. A night of drunken sex against the wall of his apartment building both give them the greatest satisfaction they've ever known. But what will that mean for them?
