BOOK SYNOPSIS

From New York Times Bestseller MIMI JEAN PAMFILOFF The Happy Pants Café has no public information—no website, no address, no phone number—and it doesn't show up on any map, either. Yet, there's a line of single women around the block, waiting to get inside. And when they come out, their smiling faces don't look like coffee buzzes. (Or afterglows.) So what could they possibly be doing inside? Harper Branton thinks she knows their dirty little secret, and it's just the story to save her mess of a journalistic career. There's just one problem: her competition. He's sexy, he's arrogant, and he's about to turn Harper's life upside down with a few secrets of his own.
