## **BOOK SYNOPSIS**

Historical theologian Beverly Mitchell probes some of the most egregious assaults on humans in the modern era to divine not only the root of racial and ethnic oppressions but also the unassailable heart of human dignity revealed in that suffering. Mitchell's work looks at the parallel oppressions that were visited upon African Americans in the slave era and upon Jews in the Nazi era. Mitchell finds a deeper commonality in the underlying religious and ideological justifications for their oppressions and the underlying, dynamic theological features of each.
