BOOK SYNOPSIS

This valuable resource is a unique and colourful compilation of more than 250 books, periodicals and audio-visual titles by pysanky expert and best-selling author Joan Brander. It brings together publications on the pysanka in Ukrainian, English, German, French, Portuguese, Italian, Polish and Japanese. The publishing and cataloguing of the print version in 2007 garnered a place for "pysanky" in the bibliography class of the Library of Congress headings - a precedent setting development. The eBook features more than 100 colourful photos that were not included in the print version. This bibliography is a "must have" for anyone who is interested in pysanky, Ukrainian folk art, and heritage studies.
