BOOK SYNOPSIS

After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or experience, she found herself working in palliative care. Over the years she spent tending to the needs of those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog about the most common regrets expressed to her by the people she had cared for. The article, also called The Top Five Regrets of the Dying, gained so much momentum that it was read by more than three million people around the globe in its first year. At the requests o.
