## BOOK SYNOPSIS

The highly anticipated sequel to the New York Times bestselling and critically acclaimed *If I Stay* picking up several years after the dramatic conclusion of *If I Stay*, *Where She Went* continues the story of Adam and Mia, from Adam's point of view. Ever since Mia's decision to stay - but not with him - Adam's career has been on a wonderful trajectory. His album, borne from the anguish and pain of their breakup, has made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite - with wholly satisfying results. And don't miss Gayle's newest novel, *JUST ONE DAY* and the forthcoming companion, *JUST ONE YEAR*.
